

#### 4. Charcuterie at Boqueria

spinach. Oh, what fun I had at the new **Boqueria** (260 W. 40th St., 646.233.4055)! I loved everything about the boisterous spot, from the elevated booths to the noisy crowd at the marble-topped bar. A menu of tapas offered classics (blistered shishito peppers), meat, seafood and charcuterie options. And that it was a quick walk to my show made it all the sweeter.
